Shape of Kitchen: Galley, L-Shape, U-Shape? Please circle closest below;

Diagram; Please use the below graph to roughly sketch out your kitchen/vanity/BBQ either existing or that you would like created – Similar to above. Include as much detail as you wish.

1. **Highlight** which edges are visible – amount of visible areas can influence price, due to polishing.
2. **Note measurement** of each edge. In order to measure correctly, take from furthest point at edge, ie. For curved surface, take to furthest peak in curve. **Record in millimetres** if possible.
3. **Add** approx. locations of sinks/basin/cooktops etc

Profiles: The most common profiles are Arris and Pencil Round – which do you prefer?

Project type: Flat Pack, new tops only or completely new joinery?

Photos: Attach or bring photos of the current space, as well as any inspiration images you have.

Colour Match: It's a good idea to bring in tiles or colour selections that need to match and have an idea of what you would like prior to your visit to our showroom.

Ready to get started? Print this and bring it into our showroom at 108-110 Enterprise Street, Bohle.
